GOLF AT THE WIGWAM IS A TRULY CLASSIC EXPERIENCE.

Designed by legendary golf course architect, Robert Trent Jones Sr., the Gold Course was created to rival his other masterpiece, the South Course at Firestone Country Club in Akron, Ohio. Tabbed the "Arizona Monster," the Gold is just that, a pure treasure that measures 7,400 yards and challenges the finest of golfers with a long and winding par-72 layout. The Gold is a classic example of style and heroic shot-making and, as Jones himself put it so well, a course that produces "easy bogies and hard pars." Consider yourself warned!
