"I've been involved in many golf course projects, but nothing to the magnitude of this project. Giving my input on The Slammer & Squire and being associated with The World Golf Hall of Fame has been a real thrill."
- Gene Sarazen

WHERE LEGENDS COME TO PLAY.

"We built a golf course that people will enjoy playing and included the need for some good shot making. At the World Golf Hall of Fame people can see how the game was started and played."
- Sam Snead
